

PRIMA HOTELS

Unique Experiences

18.12.16

Greetings!

Prima hotel chain is having working relations with the Simplex Company for over a decade.

Relations that had evolved over the years are built on mutual trust within focusing on common goals:
improved performance, technological innovations and meeting objectives.

During all these years we've found true partners.

With the launch of the new Prima website I would like to thank those who accompanied the project: Anna,
Naty, Naama and Yaniv.

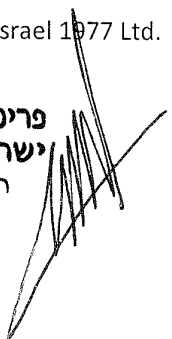

Best Regards,

Haim Douk
